

## Implant Surgery Instructions

- It is critically important you inform your Periodontist if you are taking any medication. In some cases, your medication may need to be altered. Any alteration should be done in consultation with your medical practitioner.
- Please purchase a chlorhexidine containing mouthwash (e.g. Savacol) for use following surgery and have ice-packs available at home
- If you already have a denture please bring it to your surgery appointment
- Make sure you do not skip meals prior to your (local anaesthetic) surgery appointment
- Ladies, please do not wear makeup or lipstick
- Gentleman, please shave the morning of the procedure
- Dress comfortably
- Arrive 10 minutes before your scheduled surgery appointment
- Please use the bathroom before a long procedure
- Turn off your mobile phone before entering the surgery
- Plan to rest for the remainder of the day following surgery
- In cases where oral sedation is administered (e.g. Valium), you will need someone to drive you home
- Full payment of your surgical account is required on the day.

If you have any concerns regarding your planned surgery, please phone us on 07 3350 4344.
